

SM9604

Magnetic-inductive flow meter

SMN32XGX50KG/US-100

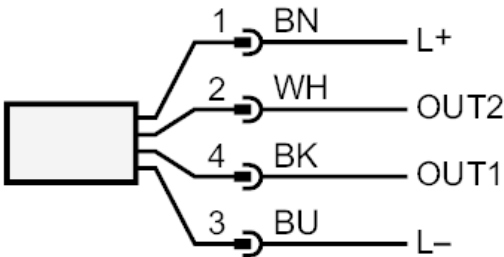

Remarks	
Remarks	MW = measured value
	MEW = Final value of the measuring range
Pack quantity	1 pcs.

Electrical connection

Connector: 1 x M12; coding: A; Contacts: 4, gold-plated

Connection

OUT1: colours to DIN EN 60947-5-2
OUT2: analogue output Temperature monitoring
analogue output volumetric flow quantity monitoring
Core colours :
BK = black
BN = brown
BU = blue
WH = white
